

Power Skating & Exercising - cont'd

this past weekend. There are still a number of boys who have not attended their particular sessions. Let's make sure that you get out this weekend. Following this weekend's sessions, the remaining power skating sessions will be held at the arena. All boys in the Atom and Peewee leagues have received notices giving all particulars in this regard.

RECREATION CENTRE ROOF:

It has been brought to our attention that sections of the Recreation Centre roof are being damaged due to persons throwing stones and other debris onto the roof. Thus far some of the damage that has taken place will affect our arena.

We encourage everyone in our community to report to the Recreation Office or the Police Department anyone seen throwing any form of debris onto the Recreation Centre roof. Let's all protect our community centre. Anyone found guilty of this act will be charged. We urge everyone to co-operate in this regard.

TERRACE BAY SWIM TEAM:

The Recreation Office has now received the C.A.S.A. swim team crests as well as the cer-

tificates. If you were on the swim team this year, drop down to the Recreation Office to pick up your crest and certificate.
