

RECREATION NEWS

JUNIOR BADMINTON PROGRAMME:

A total of 50 individuals registered for this programme. Everyone who attended the first session, which was held on November 10th has been informed of the time that they should attend future sessions. Dividing of the players into two groups was not done on a Grade 7 or 8 basis but rather on the basis of ability.

Our thanks to Rosalind Kenney for having volunteered her services to instruct this programme.

The North Shore Junior Badminton tournament will be staged in Manitowadge in 1974. We hope to have a strong contingent of players travelling to Manitowadge to participate in this tournament. All players are urged to attend as many sessions as possible as this will be one criteria of deciding who plays in the tournament.

PUBLIC SKATING:

The same format will be used for Public Skating for the next week or two at least. The system of restricting Public Skating sessions to various age groups seems to be working well as fewer people are using the ice at one specific time. We continue to urge that all people using arena facilities during Public Skating make use of them properly.
