

MR. AND MRS. WEAVER CELEBRATE 50TH ANNIVERSARY

Mr. and Mrs. Hubert Weaver's home was filled with relations and friends, coming with gifts and loving congratulations, when they entertained to mark their 50th wedding anniversary.

Connie and Hubert were married in the manse of St. Andrew's United Church by the Rev. William Reid, with the groom's sister, and her husband, Mr. and Mrs. W.J. Rattray as their attendants.

Neither Mr. nor Mrs. Weaver are natives of Schreiber, but both grew up here, Mr. Weaver coming with his parents, Mr. and Mrs. Robert Weaver from Consecon, Ont. when he was nine years old, and Mrs. Weaver, the former Connie Spicer, coming with her parents, Mr. and Mrs. William Spicer, from London, England, when she was six years old.

Mr. Weaver retired on pension as a C.P.R. locomotive engineer in 1963.

The Weavers have only one child, a son, William R. - Bill - but he and his wife, the former Lorraine Harper, have three pretty lively daughters who have filled their grandparents' home with joy and laughter - Daryl Lynn, Mrs. Jody Davis; Wendy, Mrs. Justin Martin and Billie - attending Lakehead University.

Still further happiness has been added by great grandchildren - Justin Davis and twins Derek William and Jennifer Lynn Martin.

The happy couple were pleased to receive framed placques from the Hon. Pierre Trudeau, Prime Minister; the Hon. Roland Mitchener, Governor General; and the Hon. William Davis, Premier of Ontario - this last, most happily presented by a Schreiber friend - Jack Stokes MLA.

From Mr. and Mrs. Bill Weaver and their daughter Billie the Weavers received a dinette suite and, the lovely orchid metallic-threaded evening gown which Mrs. Weaver wore for the occasion with a corsage of golden roses; from

Prior to the evening party the Weavers were honoured at a dinner in the Restaurant LeBlanc when their son, as M.C. read many messages of congratulations and one affectionate tribute to Connie, an original poem by Arthur J. Stairs of Ocala, Fla., an uncle of whom all the Weavers are particularly fond.

Mr. Stairs was in Schreiber when Bill was born and now keeps in close touch with family affairs by a lively correspondence with Bill's daughters.

A handsome three tiered wedding cake graced the tea table during the evening when the guests were served by Mrs. Bill Weaver and her daughters, assisted by friends, and Bill Weaver and Justin Martin in charge of the punch bowl.

One of Mr. Weaver's most prized possessions, a most valuable curio, which he has had since he was a small boy, is an old hand-cranked movie projector, and number of films which their friends never tire of viewing, in gales of laughter at the very old comedy features.
