## SCHREIBER TOWN TOPICS

The following new officers were elected at a Credit Union (CPR Employees) meeting: C.M. Bailie, president; R.B. Turner, vice-president; W.T. Wallace, manager; Janet Roffey, secretary-treasurer; Wayne Wilson, past president.

The regular monthly meeting was set for the third Sunday of the month at 7 p.m. in the office.

Before he returned to Kamloops, where his marriage to Valerie Bryson took place on December first, Alex Gauthier was honoured by his old friends in Schreiber at a stag held in the town hall and presented with a cheque in token of their good wishes.

Miss Cathy Bottomley spent the weekend with her brother Norman in Nipigon.

Word has been received that H.R. (Herb) Foss, who has been Master Warrant Officer, has been promoted to Chief Warrant Officer, Canadian Armed Forces (Air). Mrs. Foss is the former Doreen Harper of Schreiber and the couple now live in Montreal.

## W.A. BUILDING FUND

A recent move by the Royal Canadian Legion, Branch 109, Schreiber, was an important one in cementing mutual trust and understanding with their Women's Auxiliary, when they agreed to setting up a separate bank account for the latter's Building Fund money.

Curiously, the move in no way alters the disposition of the money since the Legion will scrutinize and audit the account and the women have no intention of removing one precious penny unless it goes to the new building.

The difference is in the effect it will have on those indefatigable money-makers - the

Women's Auxiliary, whom, the Legion candidly and gratefully admit, are tireless in fund raising for them.

And now the Auxiliary can enjoy the inestimable satisfaction of the Midas-like feeling of, figuratively, 'fondling their gold' -- relishing the fact of knowing where and how every penny was raised.

And, what is the Building Fund for?

To build a larger Legion - where the Auxiliary can work even harder to raise more money for the Legion!
