SCHREIBER COUNCIL QUOTES

A citizen attended a November council meeting to present several complaints: old tires being left at the excavation in the north end of town and being set on fire causing black ash to fall nearby properties; several large transport trucks blocking traffic and sidewalks while unloading; exhaust fumes from a local garage being forced directly out on the street; a body shop carwashing facility allowing soapy water and rinse water to run, forming ice and slippery sections on a main street; and, at times, the street being completely blocked on south Winnipeg St. at Columbia St.

Council gave assurance the conditions would be investigated.

It was decided to purchase from the Marathon Realty Co. 110 feet on Winnipeg Street, with depth of 270 feet (total area 36,000 Ft.) land on which the Board of Education Office is situated and where cenotaph stands, for the sum of \$10,860.00.

A letter from Claude Bennett, Minister of Industry and Tourism, stated if local people are willing to bring to the attention of the Northern Development Corporation projects involving the private sector, every facility of his ministry will be at their disposal.

Another range was purchased for the town hall kitchen. It was decided to purchase a 15 ton jack at a price of \$499.00 and, a combination body dump box for \$1610.00.

The estimate of \$458.24 from Spadoni Co. for repairs for a 1968 Chev truck, was accepted.

The Royal Canadian Legion, Kakabeka Branch 225 was given permission to sell tickets in Schreiber for the 15th annual Nolalu Fish Derby on March 3rd.
