All Children are invited to attend.

## TERRACE BAY COUNCIL QUOTES

Terrace Bay Town Council met on Tuesday evening, with Reeve Bray, Councillors Helmink, Hale and Brassard present. Minutes were adopted as read.

Business arising included the question of garbage collection. A meeting had been held between Mr. Jack Chapman, of Kimberly-Clark and Reeve Bray and Councillor Megraw. Further word is awaited from Mr. Wright, of the Waste Management Branch, Environmental Control. Councillor Brassard stated that the garbage disposal area is a real mess, and something must be done. The Public Works Committee will look into this matter.

Correspondence included a letter from the Marketing Manager of Ontario Hydro, re decorative lighting for the Christmas season. He stated that although there is no shortage of electric energy at this time, nevertheless all forms of energy must be conserved. A suggestion was made that decorative lighting in all buildings must be curtailed, of modest nature, and used for shorter periods of time, and where possible, kept off utilities peaks. Ontario Hydro requests co-operation of all Ontario residents in this respect.

A letter of thanks was received from Mr.

G. Puttock, on behalf of himself and Mrs. Puttock, for the recent dinner, held in honour of the unpaid committee members.

A letter was received from Fire Chief and Deputy Fire Chief, recommending that two fire extinguishers, five pound dry chemical type, be purchased for location in the Municipal office area. This was accepted and the fire extinguishers will be ordered.

Ontario Hydro submitted a statement indicating the basis for determining 1974 wholesale rate.

District 3, O.M.E.A., suggested they are in favour of continuing with the program, Reach for the Top, and asked the continued support of the local council. Terrace Bay Council agreed that this is a worthy cause, and are willing to proceed with the plans for the new year. Reeve Bray recommended that a letter be sent, requesting a meeting to discuss this matter, in the local area early in the year.

Accounts passed for payment were Township: \$43,331.13; Hydro: \$14,350.21; Library: \$400.64; Recreation Committee: \$11,007.79.

Under new business, a resolution was passed for approval of the application of Mr. and Mrs. W. Kurylo, as Commissionaires of the
