Council Quotes - continued

Recreation concession, as per the lease, for a period of one year.

Mrs. Helmink advised that the contractors hoped to have the heat turned on in the Recreation Centre by December 17th.

There were no answers to the advertisement placed in the local paper for a replacement on the Recreation Committee, so an appointment may be made by Council. It was decided that it was a good policy to continue to advertise these vacancies so that any interested citizen

has the right to apply if interested. There will also be a vacancy on the Library Board.

Reeve Bray asked Mrs. Helmink to make arrangements with the Recreation Complex caretakers to open the vestibule of the centre prior to bus time, so that students might have a place to get out of the cold, while awaiting the bus.

Councillor Brassard stated that the Association of Police Chiefs, Zone I, will hold a meeting in the Royal Canadian Legion Hall, Terrace Bay, on January 11th, at 10:30 a.m. All councillors are invited to attend, and Mr. Brassard suggested that Council might host a coffee break at this time.

A number of dogs running at large have been picked up and the owners will be fined.

SWEDISH CROWN OF CANDLES

In Sweden, the Christmas season traditionally begins on December 13, when a young girl in each house assumes the role of St. Lucia, wearing a white robe and a crown of lighted candles. The custom goes back to Viking times when, under the old calendar, the night of December 12-13 was the longest of the year. The Lucia girl symbolizes returning light.

The most precious gifts of the Holy Season are those of the heart. To friends and neighbors ... our gratitude for your loyal support.
