

ART COURSE

Ladies of Terrace Bay interested in learning to paint were fortunate in having Mrs. Helen Strickland, Art Instructor of the Continuing Education Division, Confederation College, present a 10 week Art Course in the Recreation Centre.

This course was arranged by Mr. Jerry Dupas, Recreation Co-ordinator.

Mrs. Strickland said she was very pleased with the progress made, and had a 88% attendance. The ladies enjoyed it thoroughly. It is hoped there will be another course presented in the spring of 1974.

Photos below taken by Marge Lundberg during an art session.

your week ahead BY DR. A.W. DAMIS

Forecast Period: December 22 to December 29

- ARIES**
Mar. 21 - Apr. 19
Sorry! Several members of your sign face a broken romance pattern. Other Ariens will open one social door, while closing another.
- TAURUS**
Apr. 20 - May 20
It's both unwise and uncalled for, to let envy and jealousy enter the general scheme of things . . . because you want to "test" a member of the opposite sex.
- GEMINI**
May 21 - June 20
Most members of your sign will discover that previous training or experience, in one form or another, is going to be an advantage, during the Holidays.
- MOONCHILD**
June 21 - July 22
According to your chart, the old axiom "We deem those persons remarkable who think as we do," could apply. In other words, look for an associate to placate.
- LEO**
July 23 - Aug. 22
Most members of your sign, odd as it might seem, will find an excellent business opportunity in the offering. In other words, it's a good time to invest.
- VIRGO**
Aug. 23 - Sept. 22
It's highly probable that this cosmic cycle will be a replay of last year's events. The point? Don't duplicate mistakes of the past.
- LIBRA**
Sept. 23 - Oct. 22
According to your chart, you will be making plans with a member of the opposite sex. So, what? Your plans will be secretive!
- SCORPIO**
Oct. 23 - Nov. 21
Keep this uppermost in mind. Don't panic, should you hear distressing financial news. In one form or another, false rumors will affect your sign, financially.
- SAGITTARIUS**
Nov. 22 - Dec. 21
Although other events and situations might seem more important . . . someone's marriage, engagement or romance, will affect your activities. One thing more, you're inclined to be too blunt!
- CAPRICORN**
Dec. 22 - Jan. 19
Stay close to your home base. Apparently, your job, task or mission will conflict with your domestic affairs. Try to plan or schedule your time. Incidentally, a chronic problem should vanish, during this cycle.
- AQUARIUS**
Jan. 20 - Feb. 18
It's not a certainty, nonetheless, an associate might be planning to abandon a mutual project or task. So, prepare to face problems - alone!
- PISCES**
Feb. 19 - Mar. 20
Look for subtle overtures to come from a stranger or new acquaintance. Whether or not you choose, romantic gestures are on the wing.
