My family and I value greatly the excellent service we have enjoyed at our Terrace Bay Hospital and wish to commend your Board and past Boards and Hospital Staff members. As a resident here for the past twenty-five years I now fear our hospital because of political pressures to cut costs could produce limited services, should the Board consider staff cuts. Trusting for your consideration, Thank you.

Yours Very Truly,
Al Allen,

In assessing the fine, Judge Powell stated that he was taking into consideration the current trend in the cost of the meat.

We're hankering to wish you and the folks at your house a mighty merry Christmas and our hearty thanks.
