

# NOTICE

In accordance with a directive received from Ontario Hydro, and the federal government's conservation policy of energy, the Township Christmas lights will be turned on for Christmas Eve, Christmas Day and Boxing Day.

As these curtailments are strictly on a voluntary basis, we would hope that your home lighting, both exterior and interior, would at least be on during the same periods as a sign of goodwill towards your friends and neighbours.

Wishing you a Very Merry Christmas and Prosperity for 1974.

Councillors:	Brassard	Helmerk
	Hale	Megraw
Reeve:	Bray	

In England, Boxing Day, the first weekday after Christmas is so named from the practice of giving boxes of food, gifts and money to tenants, tradesmen and servants.
