

NOTICE

SCHREIBER HYDRO CUSTOMERS

Due to the present energy conservation trend, there will be NO "SPARKLER" Contest this year put on by The Hydro Commission and we further request that if illuminated decoration is undertaken, it should be of a very modest nature used for shorter periods of time, and where possible, kept off the utility's peak. Thank you for your co-operation - Season's Greetings To All.

Christmas Wishes

May seasonal joys warm your heart. To all ... thanks.
