SNACK BAR UNDER NEW MANAGEMENT

The changing of ownership and management in the business world is continuing in Terrace Bay for 1974 as Mr. and Mrs. Bill Kurylo have taken over the management of the Recreation Snack Bar now to be known as "Doreen's Snack Bar".

Last Friday was opening day and many residents gathered for free coffee and donuts (home-made too - a delicious example of the fine home cooked food that will be available)

Congratulatory flowers from Mr. and Mrs. Ted Brown and Mr. and Mrs. Roger Beaulieu contributed to the many best wishes received during the day.

Reeve Roy Bray (centre photo) also dropped in for coffee and offered his best wishes to Doreen and Bill.

Doreen's Snack Bar has already set a first - when they catered to a dinner for 22 ladies in the dining area of the snack bar.

We wish Mr. and Mrs. Kurylo all the best in their new venture.
