**HEY HEY, ANYBODY LISTENING?**

An overflowing crowd of people at St. Paul's United Church in Thunder Bay was overwhelmed by the 250 children's voices of the combined choirs from Geraldton, Terrace Bay and Thunder Bay area.

The festival was based on the story of Jesus from Advent to the Resurrection.

One could not go wrong in directing great praise and honour to the Directors of the various choirs, among whom was Mrs. Margaret McKague, assisted by Mrs. Joan Nugent.

They accompanied the Joy and Hosanna Singers of the Terrace Bay Community Church to Thunder Bay to participate in this special event.

It was quite evident that the groundwork was well prepared by the various Choir Directors to enable Mr. Ronald A. Nelson to lead the young people in an outstanding performance, which was greatly appreciated by the spellbound listeners.

If the opportunity of any similar concert

should become available in this area, a strong recommendation for everyone to attend a function like this would certainly be in order.
