## COMMENTS FROM YOUR NORTHERN AFFAIRS OFFICER

1974 Motor Vehicle Liability Insurance forms can be obtained at the local L.C.B.O. outlets and the Northern Affairs Office. Passenger car registration renewal this year is a red bordered sticker which is adhered to your 1973 licence plate. This is a considerable change from previous years when a metal licence plate was supplied.

The advantage this year is in both time and energy. To apply the new label takes but a few seconds. Remember the bolts that were rusted and difficult to remove each year. Think about that and you can count the time saved this year - not to mention the scraped knuckles.

When applying for your 1974 vehicle registration a statement of insurance liability is required. To save your time when renewing your licence this year the forms can be obtained prior to attending your licence issuing office. By supplying these forms through these outlets the government is hoping to reduce the possibility of people standing in line waiting to buy their licences.

Remember the deadline is fast approaching. The deadline is midnite, February 28, 1974.
