

o, a letter, obviously written by
 concerned about hockey, was posted on
 boards in arenas across the country.
 like this:
 and Dad:
 ou won't get mad at me for writing
 er, but you always told me never to
 anything that ought to be brought
 e open. So here goes.
 the other morning when my team was
 nd both of you were sitting watching?
 ope you won't get mad at me, but you
 mbarrassed me.
 when I went after the puck in front
 t trying to score and fell? I could
 yelling at the goalie for getting in
 d tripping me. But it wasn't his
 hat's what he is supposed to do.
 you remember yelling at me to get on
 side of the blue line? The coach
 o cover my man and I couldn't if I
 to you, and while I tried to decide
 ed against us. Then you yelled at
 ing in the wrong place.
 really got me was what happened
 game. You shouldn't have jumped all
 coach for pulling me off the ice.
 etty good coach and a good guy, and
 hat he was doing. Besides, he's

just a volunteer coming down at all hours of
 the day helping us kids just because he loves
 sports.
 "And then neither of you spoke to me the
 whole way home. I guess you were pretty sore
 at me for not getting a goal. I tried aw-
 fully hard, but I guess I'm just a crummy
 hockey player.
 "But I love the game. It's a lot of fun be-
 ing with other kids and learning to compete.
 It's a good sport. But how can I learn if
 you don't show me a good example? And anyhow,
 I thought I was playing hockey for fun, to
 have a good time and to learn good sportsman-
 ship.

your week ahead BY DR. A.W. DAMIS

Forecast Period: March 10 to March 16

- ARIES**
Mar. 21 - Apr. 19
Hold it, Aries! Someone is about to throw cold water on your long term plans. Some under your sign have been enjoying the luxury of a controlled hallucination.
- TAURUS**
Apr. 20 - May 20
No doubt you already know, there's a whispering campaign going on among your routine associates. The advice is obvious. Don't become involved, further!
- GEMINI**
May 21 - June 20
First impression and personal grooming, according to your chart, will play an important role. Incidentally, you must avoid excessive physical pleasures, during this cosmic cycle.
- MOONCHILD**
June 21 - July 22
Provocation and "needling" is heading your way. Remember the old saying that begins with "sticks and stones?" Don't let an associate get under your skin.
- LEO**
July 23 - Aug. 22
Thoughts of the opposite sex could, very well, smother your ability to perform routine tasks. Lock onto your job, mission or project.
- VIRGO**
Aug. 23 - Sept. 22
During this week's cosmic cycle, you could, very well, be a case of being honest but hopeless. Seek professional advice . . . before making a major decision.
- LIBRA**
Sept. 23 - Oct. 22
A fine cage won't feed a bird. So? Get your sense of value in order. It seems as though you're heading toward an impractical investment.
- SCORPIO**
Oct. 23 - Nov. 21
Listen well, Scorpio! According to your chart, a member of the opposite sex is attempting to cross your wires with misinformation.
- SAGITTARIUS**
Nov. 22 - Dec. 21
Don't rely on outside help. It's not an ideal time to operate on promises. Turn around - only your shadow will be there.
- CAPRICORN**
Dec. 22 - Jan. 19
A subtle chain of events will accumulate to change a long thought out plan. Also, examine a document carefully - before giving your opinion.
- AQUARIUS**
Jan. 20 - Feb. 18
It's you, and you alone, that must face adverse trends. Don't look for help or sympathy. You'll have to go it alone, this week!
- PISCES**
Feb. 19 - Mar. 20
A member of the opposite sex might offer you help; There'll be strings attached. Oh, yes! You'll face a bad case of self pity.
