

### T.B.S.C. SKI-A-THON

The Terrace Bay Ski Club held a successful Ski-a-thon on Saturday afternoon, Feb. 23rd. About 30 skiers participated and most of them completed their maximum allowable 20 runs. This Ski-a-thon had two entrants who completed all 20 runs on one ski - Robert Vanderkam and Bill Megraw Jr.!

The club would like to thank all those who supported and assisted in the running of this event. Club revenues have dropped off in the past two years due to a shortening of the ski season because of poor conditions. Money made by the Ski-a-thon will do much to overcome this and enable us to continue to operate and maintain the club properly. More information will be published on the financial aspects of the event when all the returns are in.

Skiers are reminded to get their returns in to Mel Nicol as quickly as possible.
