

CONGREGATIONAL SUPPER

A capacity crowd attended a Pot Luck Congregational Supper at the Community Church on Sunday night. More tables had to be added to accommodate the people who arrived to share in the Gourmet meal.

It was strictly "Pot Luck", with no prior arrangements as to who would bring what. Convened by Mrs. Vera Kennedy, assisted by Mesdames Marg Simmer, Marge Lundberg, Connie Cvitkovich, Gertrude Soughton, Marg Duriez and many others who did dishes and helped clear away, the menu included many different casseroles, salads and desserts.

The hall was beautifully decorated in honour of St. Patrick's Day by Mrs. Pam Jones.

Mr. Dave Barnett acted as Master of Ceremonies. Rev. McKague was called upon to say Grace.

After everyone had dined, Mrs. Margaret McKague held an informal sing-song, with her Joy and Hosanna singers leading in the singing. Miss Carla Crockford played two piano solos.

Tea, coffee and Kool-Aid were supplied by the Church Board and a good time was had by all.

EXPERIENCE 74

Summer in Ontario offers a wide range of opportunities to the province's young people for employment with the Provincial Government.

The Ontario Youth Secretariats' Experience 74 program has scheduled a number of interesting projects designed not only to aid students in making future career decisions, but to enable them to actively participate in the needs of communities across the province.

Experience 74 will offer such employment opportunities as the Therapeutic Recreation Workers project, a program under the Ministry of Community and Social Services which will place workers within a number of communities to help those who have special needs i.e. the handicapped or chronically ill, in community recreational activities.

Video I Drama Workshops in Penal Institutions will place a small resource team in selected correctional institutions, providing appropriate presentations and drama workshops for inmates and staff.

CAP (Consumer Advice Programs) under the Ministry of Consumer and Commercial Relations, is a pilot project providing the opportunity to work in a consumer storefront office, assisting consumers with information about goods and services and consumer related problems.

This year the Ontario Youth Secretariat is not only co-ordinating a special youth employment program known as Experience 74, but also providing information on all Government summer employment activities offered to young people.

If you are interested in the special programs for youth under Ontario Experience 74, or regular Summer Employment Opportunities with the Government, contact your Northern Affairs Office located at Peninsula Building, Marathon for further details. Our offices are stocked with a limited supply of application forms and information brochures.
