ART CLUB COMPLETES COURSE

The Schreiber Art Club has just completed a very successful course, with Mrs. Alice Sparkes. All those who took advantage of her classes thoroughly enjoyed themselves and learned a great deal.

Some of the pictures painted by beginners were excellent and Mrs. Sparkes was pleased with their progress.

Her help and encouragement has been appreciated by all who attended the classes.

The Club wants to remind all members and prospective members that registration for the Confederation College extension course in Art with Mrs. Helen Strickland takes place on March 29th from 9 - 1 p.m. in the basement of the town hall. For further information contact: Mrs. Alice Sparkes 824-2689 or Mrs. Shirley Brown: 824-2541.

TERRACE BAY POLICE DEPARTMENT REPORT

A total of 24 occurrences were investigated during the past week by the Terrace Bay Police.

On March 2nd, two young girls were reported missing from home at Marathon. They were located and returned. As a result of a check through CPIC on March 13th, it was ascertained that two transients were wanted on warrant by other Police Departments.

March 14th - a charge under the Criminal Code for driving while licence was suspended against a Schreiber youth was laid. During the week one charge under the Liquor Control Act was laid along with 4 charges under the High-way Traffic Act. Police were called to 2 domestic disputes. 4 transients were checked 7 motor vehicles safety checked & 5 warnings.

HOSPITAL MEMBERSHIP FEES PURCHASE EQUIPMENT.

Many people have asked the person who approaches them regarding hospital membership the following question: "What does the hospital do with the money it receives each year from membership fees?"

Last year the hospital collected a total of \$1020. in Annual Membership Fees. This money together with revenue from preferred accommodations and donations from the Hospital Auxiliary and other community organizations purchased the following equipment in 1973:

| | |
|-----------------------------------|--------|
| Gestetner Machine & Cabinet | \$570. |
| Cribs for Children's Ward (2) | 810. |
| Electric Typewriter | 518. |
| Double Basin Stand-Operating Room | 98. |
| Wall Cabinets (2) | 180. |
| Vacuum Cleaners | 206. |
| Rug Shampooer | 54. |
| Emergency Room Stretcher | 472. |
| Examination Light | 359. |
| Multiplier | 272. |
| Suction Machine & Utility Table | 330. |
| Office Chair | 75. |
| Humidifier | 74. |

This is not a financial statement. TOTAL \$4,016.

Some of these items were new additions while others were replacements of items which had reached the end of their useful life. As you know, provincial operating grants do not include complete grants for major equipment but only annual depreciation which in our hospital was \$417. for 1973.

Because much of our equipment is fully depreciated and is quite old we will continue to need the support of all the people of the area in order to provide quality health care services. We know that individuals and organizations will continue to give their financial support for the purchase of hospital equipment.

Public Relations Committee
The McCausland Hospital Board.

Donna Gellert and Myrna Gauthier are in Geraldton taking the Red Cross Water Safety Leader Course.

The girls are sponsored by the Schreiber Recreation Association.

Ounce Of Gold

In South Africa some 2½ tons of rock must be processed to produce an ounce of gold and a sliver of silver.
