Regular skiing will take place on the backtrails only during the races.

Saturday morning instructor classes and racing have now come to a conclusion for the season with the final session being held last Saturday, March 16th.

The Ski Club Winter Carnival events were very successful with a good crowd on hand. Medal winners in the slalom competition were Carol Moore, Ann Stephen, Russ McBride and Bill Megraw Jr. In the ski dumping contest Kathy Osmar, Ann Stephen, George Moore and Bill Megraw Jr. were medal winners. Our "Hot Dog" skiing team put on an exciting demonstration of freestyle skiing. Members of this team were Ann Stephen, Robert Vanderkam, Dan Moore and Bill Megraw Jr. The final event of the Carnival was the always delightful torch-light parade in which all club members took part.

Congratulations to the members who worked hard on our float which placed 2nd in the Carnival parade and congratulations to Miss Terrace Bay Ski Club, Terry Paukstys, who was chosen Winter Carnival Queen!

As promised in last week's News we will publish the last of the pictures taken during the Winter Carnival. These are of the Figure Skating Carnival and the Parade held Sunday. Photos are by Dave Barnett to whom we express our sincere thank you.
