

HEARING BOARD MEETING

The Ontario Environmental Hearing Board held a public meeting in the Schreiber town hall on April 4th to discuss the sewage treatment works planned for Schreiber, to enable the Board to obtain information and hear views expressed which would enable them to decide whether the proposed site would or would not be in the public interest.

The meeting was chaired by John H. Root, MPP, Wellington-Dufferin. Others attending included David Morton, Harold Brown, Technical Adviser, Michael Latta, Project Engineer, all from the Ministry of Environment, Toronto.

Also attending were R.E. Soper, technologist, representing M.M. Dillon Firm of London and James Stasiuk, District Office, Ministry of the Environment.

Few citizens attended, all others apparently satisfied with the proposed site.

Mr. Soper with a blueprint, described where the plant would be installed, and answered the few questions asked.

The municipal council were present and obviously gratified with the public's acceptance of the proposed site.

Summer Camp

Here's a letter I received from my son last summer when he was in summer camp. He wrote: "Dad, I'm worried about you. Please send a check so I'll know you are O.K."
