

## KIMBERLY-CLARK OF CANADA TO HOST SAFETY ASSOCIATION

On Thursday, April 18th, Kimberly-Clark of Canada Limited will host the Northwestern Branch meeting of the Ontario Pulp & Paper Makers Safety Association.

Approximately 60 delegates representing the pulp and paper industry in Northwestern Ontario, from Marathon in the east to Kenora and Fort Frances in the west, will meet to discuss various aspects of industrial safety.

Participating in the program will be Ontario Pulp & Paper Makers Safety Association's Manager, Wally Lockhart, who will give a progress report of the Association's activities during the past year. Local Mill people participating will be Don Stewart and Gerrie Dickson who will present a paper on "Ground Fault Interrupters", Bob Roberts and Lorne O'Neil will illustrate "Trades Safe Practices"

In the evening, the visiting delegates will attend a banquet at the Terrace Bay Royal Canadian Legion Hall at which time Mr. E.V. "Al" Johnson, Kimberly-Clark Corporation, Industrial Relations International Division, Neenah, Wisconsin, will be the guest speaker.
