

Ann Landers - continued

In my own work, which is directed to the evaluation and recovery of cannibus users, I have extensive proof that those who stop using marijuana are amazed when they witness the return of functions they didn't realize they had lost I hope this is helpful to you, Ann -- Hardin B. Jones

Dear Dr. Jones: "Helpful" is a modest word, indeed. I am deeply grateful for your follow-up letter, telling of the progress made in researching the long-range effects of pot and hash.

I fervently hope that your letter will be noted by legislators who want to legalize marijuana and that the pot-heads out there will pay attention.
