

LIBRARY BOARD

The Schreiber Public Library Board of Trustees were impressed with the success of the Inter-library Loan Department of the Thunder Bay Public Library, exemplified by a book this library had recently received. They had requested "Glimpses of Northern Canada", the request passed on to eastern and western Canadian cities, and the book finally loaned by the Inter-loan Library of Memorial University of Newfoundland.

After considering the Regional Library's Public Youth Project open to students with grade I2 and above, the Board asked the assistance of Bernard McCracken, Guidance Counselor at Lake Superior High School, with applications received to be forwarded by the Library Board.

The regular and new comparative audit forms which had been filled in by Miss Hadley, secretary-treasurer, were returned, accepted, by the Municipal auditors.

Renewal of membership in the Canadian Library Trustees and the Ontario Library Trustees Association were tables for further discussion.

Accounts totalling \$546.43 were approved for payment.

Mrs. Norah McGuire presided for the meeting on April 19th.
