**CARD OF THANKS** - To those who sent cards and flowers during our bereavement and loss of a dear father and grandfather George Connors we express our sincere thanks. Your thoughtfulness was truly appreciated.  
Vi Bottomley and Family

**CARD OF THANKS** - I would like to express my sincere thanks to the McCausland Hospital Staff and Doctors McCausland and Adey for their efforts in the care of my wife Helen during those first and most important days of her recovery from her accident. I think she received the care that could be exceeded by no one and I think the community should be very proud of this small, but highly efficient organization. I would also like to state that I got nothing but encouragement and help from every member of the Schreiber, Terrace Bay and surrounding community that I came in contact with at this time and I am very proud to be a part of a community that can give so much so freely in a time of need.  
Very Sincerely,  
Ken Dooley.
