\$5.00 per year (local)
\$6.00 per year (out-of-town)
Second class mail Registration Number 0867.

SEARCH AND RESCUE HOLD FIRST MEETING

The first of five training sessions being sponsored by the local Search and Rescue units was held on Wednesday night, May 1st at the Terrace Bay campus of Lake Superior High School

Words of welcome were extended to the large group attending by Gus Drexler of the local executive. This first session was addressed by Robert Milne, an executive of the Thunder Bay Search and Rescue.

Mr. Milne began his address by explaining the purpose of the Search and Rescue program, namely a voluntary organization which assists local authorities in times of emergency.

The organization of an actual search was outlined, including the set-up of the base

camp, the selecting of patrol leaders, and the briefing of personnel prior to their departure on the search. The invaluable use of the portable radio was also demonstrated and explained.

After a coffee break, during which informal discussion took place, Mr. Milne indicated what supplies a member of a patrol would require during a 3-day search. Mobility was emphasized and it was recommended that the pack and its contents be kept to a minimum of 25 pounds to prevent fatigue.

These sessions will continue for the next four Wednesday evenings and will cover such topics as first aid, compass and maps, bush survival and first man on the scene.

These sessions are open to all residents of the community, both male and female, at no charge.

ATTENTION - LEADERS NEEDED!

The Schreiber Guide Company desperately in need of leaders. Are there any mothers in the community interested in giving us their help.

No previous training necessary - just the willingness to work with girls in 11-14 age group. PLEASE CALL 824-2856.
