## KINSMEN CLUB OF TERRACE BAY CHARTERED ON FRIDAY, APRIL 5/74

On Friday, April 5th, 1974 the Kinsmen Club of Schreiber Inc., officially chartered the Kinsmen Club of Terrace Bay. The gala evening started at 6:30 p.m. with cocktails followed by supper at 7 o'clock in the Legion Hall. The Legion ladies catered to the 126 Kinsmen, Kinettes and guests in attendance with a smorgasbord supper.

The supper meeting opened with the singing of The Queen followed by the Kin Song. Kin Doug Moore of Schreiber said Kin Grace. A Toast to the Association was given by Mike Cosgrove of Schreiber in which he stated that the Terrace Bay Club was the 590th in Canada.

The National President George Irving replied to the toast by telling what 14 years in Kinsmen had meant to him and what he hoped it would do for the young men of Terrace Bay.

Kin Bob Cressman gave a toast to the ladies present and it was replied to by Kinette Sandra Quinton. An introduction of the head table followed and then a break was called while the tables were cleared.

Upon resumption of the meeting Governor of District 2, Don Hutton spoke and personally shook each new Kinsmen's hand and welcomed them into the Association. Deputy Governor of Zone 4, Bruce Gordon then installed the first executive of the new Club. They were President-Claude Latour, Vice-President-Dick Mannisto, Secretary-Jerry Dupas, Treasurer-Gerrie Dickson, Bulletin Editor-Sonny Helmink and Registrar-Archie Heinrich.

The Directors installed were Bob Hopper

## TERRACE BAY COUNCIL QUOTES

The first item of business, after the minutes of the last Municipal Council meeting had been approved, was a report by Reeve Roy Bray, on the recent Thunder Bay District Municipal League Convention.

A motion was passed to prepare a by-law, authorizing the local theatre to hold Sunday movies the year round.

A request was received from the First Terrace Bay Girl Guide Company to conduct a travelling bake sale on May 25th. This was approved.

A letter from the Ministry of Health stated that Terrace Bay would qualify as underserviced with respect to Dentistry. Terrace Bay will soon lose it's only dentist. Council will advertise, and hopefully the Ministry of Health will support an applicant, if approved by the Ministry.

A letter from a local citizen asked for crossing guards during the summer months, to supervise the crossing of the highway by small children. Council discussed this at some length, but decided it was not economically feasible.

Lakehead University submitted a request for financial assistance, the cost approximately 10 cents per capita. Council decided that more information was necessary regarding proposed development, and contributions from other communities.

A request from the Beardmore Legion, No. 148 I48 to sell Fish Derby tickets in this area was approved.

The Girl Guides asked permission to maintain two flower beds in Centennial Park.
