

RECREATION NEWS

MINOR BALL PROGRAMME:

By the end of this week, registration forms will be circulated to students in local schools outlining details of Minor Ball programme. When you receive your form, be sure to read it over carefully and return the completed form to the Recreation Office by the date outlined.

VOLUNTEER HELP ESSENTIAL:

In order to conduct a Minor Ball programme in our community, it is absolutely essential that adults and/or students volunteer their time to assist in the programme either by way of coaching or umpiring.

There is space provided for on the registration form indicating your willingness to help. Think about it and if you would like to see a Minor Ball programme operated, volunteer your time to help. Anyone in the community who does not get the registration form, simply call the Recreation Office at 825-3542.
