

SCHREIBER MINOR HOCKEY BANQUET

Corp. Don Burton, the president, was M.C. for one of the happiest occasions of the year, the Minor Hockey Banquet, served to 125 in the Legion.

Flanking Mr. Burton were Mrs. Ruth Mulligan, secretary, Mrs. Millie Glad, treasurer, and the following officials - Paul Kendrick, Gary Lapworth, Jody Davis, Justin Martin, Reg Bailey, Joey Figliomeni, Mike Miller, Roy Wilson, Cosimo Commisso, Jim Mooney, Bill Paradis, Roy Mills, Earl Welbourne and Jack Anderson.

Mr. Burton said in his opinion, not discounting the triumphs and trophies won this season, the greatest stride was in willingness of former players offering their assistance in recognition of the time spent on them when they played in the League.

It was his hope, he said, that while learning the tactics of hockey, the boys were also becoming aware of other values - good sportsmanship in both winning and losing, respect for authority, and the ability to recognize and acknowledge a 'good guy' on or off the ice.

A presentation of hockey stick was made to Ken McNally, by the Avco team, to which Mr. McNally had contributed funds, the players' names all written on the stick. Mr. Burton, was loudly applauded by the boys, when he adjured Mr. McNally to give good coaching to the new, very new hockey recruit, in his family - a son, just born the day of the banquet.

Trophies, in appreciation of their work, were presented to the Peewee coaches John Anderson, Don McDonald and Robbi Mooney.
