TERRACE BAY COUNCIL QUOTES

All councillors and Reeve Roy Bray were present Tuesday evening to hold the regular township council meeting.

Minutes of the previous regular meeting were adopted.

Correspondence was received from the Kinsmen Club of Terrace Bay re "Canada Day" organization. Their specific request was for funds to supply treats, flags and prizes for the children on the July 1st holiday. Funds for this will be granted from Council for 1974 with a maximum amount to be set.

A petition was received from local citizens regarding the sand on lawns from the spring break-up. This petition had suggested a truck accompany the snow blower and haul away the snow rather than having it blown on lawns. Discussion by council of this matter clarified the cost of this maneuver would be exorbitant to the taxpayers but Council would try to eliminate the rock problem by requesting the Ministry of Transportation and Communications to store salted sand for the township.

A letter from the Retail Merchants Association (Canada) asked council to agree to a resolution re uniform hours of operation. The Terrace Bay Council were in agreement that merchants should have free enterprise on this matter and the letter was filed.

The Ministry of Community and Social Services requested council to proclaim the week of June 16th to 22nd as Senior Citizens Week. This will be done with the Council also looking into planning some activity for senior citizens during this week.

The April police report was submitted by Police Chief, Dave Barnett.
