## TERRACE BAY RECREATION NEWS

### PROGRAM:

Over 100 registrations were received  
Recreation Office from boys and  
interested in playing Minor Ball in the  
leagues available.  
All the Leagues offered, only one  
league will not operate due to the  
two registrations were received.  
Next week, team lists will be drawn up and  
circulated to all players, coaches  
and parents.  
Voluntarily, a total of 19 adults and stu-  
dents volunteered their time to assist either  
as coaches or umpires. Our thanks to those who  
donated their time.  
Play will commence next week and pro-  
ceed until the first or second week

For more information, call the Recreation

### SOFTBALL PRACTICE:

As a result of a meeting held on Tuesday,  
an open practice has been called for  
Thursday, June 6th at 7 p.m. at the School  
Gymnasium (Athletic Field). Anyone 17 years  
and over can attend this open practice.  
If the turnout is good, a Ladies League  
will be formed which will most probably involve  
a Ladies League as well as some out-of-town com-  
petitions.  
Thursday, June 6th at 7 P.M.

### ART & PLAYGROUND PROGRAMS:

Information on both of these pro-  
grams will be appearing in the Terrace Bay News.  
The staff will be hired by the end of  
June.  
We are hoping to open the Swim Pool on the  
evening of June 22nd for Public Swimming sess-  
ions. Instructional swimming programs will  
begin this year, one during the month of July  
starting on July 2nd and the other during  
the month starting around August 5th. Registra-  
tion forms will be circulated through all of  
the schools in the next week or two.  
The playground program will be operating out  
of the Public School Gymnasium this summer start-  
ing on Tuesday, July 2nd and winding up on  
Friday, July 13th.

### RECREATION DISCS:

The new 1974-75 discs will hopefully be  
available to all current members by the end of  
next week. The new discs are "Pale Blue" in  
colour and are required for admission to var-  
ious programmes. A reminder that under the  
"new" system, these discs can be used for  
any programs operated by the Recreation Depar-  
tment including the Swim Pool. The Recreation  
membership is now a comprehensive membership  
including all programs.

More information on the distribution of  
discs next week.

### YOUTH-IN-ACTION GRANT RECEIVED:

The Recreation Committee is pleased to  
announce that a Youth-in-Action Grant has been  
received by the Sports and Recreation Bureau,  
which will enable the Terrace Bay Recreation  
Department to offer a "Pre-School Instructional  
Swim" programme. Details of this program  
will be worked out in the next few weeks,  
once staff is hired. So, parents if you are  
anxious to have your pre-schooler take part  
in an instructional swimming program, watch  
for further issues of the News.

### ART TREK TO VISIT:

As in the past three years, "Art Trek" will  
be visiting Terrace Bay on August 12th and 13  
th. This resource team consisting of two  
artists, will be available to conduct sessions  
in drawing and painting, batik, tie-dyeing,  
lino, wood-block and silk screening printing,  
weaving and macrame and more. There is no  
cost to the participants for this program.

Since the resource team will be in Schrei-  
ber and Terrace Bay for a four day period,  
arrangements will be made between the two  
committees to allow as many people as possible  
to attend as many sessions as they would like.

More information will appear in the News  
in July.
