TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

With that eager smile, Gerry has dark eyes, brown slightly curly hair with reddish highlights and medium complexion featuring an endearing sprinkle of freckles. You'd think a 10-year-old with a smile like that would be a happy, carefree youngster but Gerry has been affected by some unhappy times. Because of an unsettled period in his life he has been in a residential treatment centre. Now he is ready to leave.

Understandably, it will likely take Gerry a little time to adjust to family living and to form a close relationship. He really wants a mother and father so is anxious to try. Parents with warm, understanding and patience will find Gerry a challenging, rewarding and lovable son.

Alert and intelligent, Gerry is at least average in intelligence though not working up to his potential. He is in Grade 3 where his major difficulty is in reading.

Gerry loves the outdoors and especially enjoys camping, tobogganing and swimming. He is an enthusiastic Cub who gets on well with other children but seems to relish adult company.

Gerry needs parents with warmth and patience plus the ability to establish rules and stick to them calmly. Preferably there will be no other children at home, certainly none younger than Gerry.

To inquire about adopting Gerry, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. For general adoption information, please contact your local Children's Aid Society.
