The Reeve of Terrace Bay, Mr. Roy Bray officially welcomed everyone and the introductions were capably handled by Mr. Lawrence Crawford.

Wig, Vice-President of Kimberly-Clark who was unable to attend sent best wishes for the success in the establishment of the Terrace Bay Home. Mr. Grant Puttock, Operations' Manager and Vice-President of Kimberly-Clark in Terrace Bay attended the opening.

Representing the Homes for the Aged Association was Mr. Dan O'Gorman, who is an executive member of the Association.

At this point, Mr. M. Vibert, Administrator presented Pinewood Court with their new wheelchair bus which had been paid for with monies collected over a number of years by the Residents' Council and the Auxiliary of Pinewood combined with the Provincial Government share. Wheelchair residents had been brought to the occasion on the new bus and everyone was invited to inspect it at their leisure.

Mr. George DeLong, President of Pinewood Court's Residents' Council and Mrs. Daisy Hutchison, President of the Auxiliary, presented the keys for the bus to Activities Supervisor, Mrs. Ruby Owen who expressed the opinion that the bus would be well used and much enjoyed by our wheelchair residents attending

the many activities of Pinewood Court.

In his introduction of the Honourable Rene Brunelle; the area representative, Mr. Jack Stokes, M.P.P. praised the Ministry for their work in the area and particularly with regard to the Terrace Bay Home.

Mr. Brunelle brought thanks from the Ministry to Kimberly-Clark for their generous donation of the motel and praised all those responsible for converting it into a Home for Senior Citizens. It was apropos, he said, that it should be opened officially, just prior to Senior Citizens' Week, June 16-22nd. He was also very pleased that, included in the operation, was the heating of the Hospital and the Recreational Complex, and the fact that there was beauty shop, barber, optometrist and laundry services as well as administrative offices for the hospital, operating in the building. These services are available to the residents and to the community.

Jessie Macadam and Carl Sorenson, residents of the Home held the ribbon while Rene Brunelle swung a 16 pound broadaxe, cutting the ribbon and officially opening Birchwood Terrace. Mr. Brunelle was then presented, with a memento of the occasion, "an all-purpose tool" (hatchet), by Mr. Jim Symington, Vice-Chairman of the Board.

Following the epilogue, given by the Rev. McKague, the ceremonies moved inside for the unveiling of the plaques. continued page 3 ...
