Official Opening - continued

The Ministry plaque unveiled by Mr. H. Sohn and Mr. M. Graver expressed appreciation to Kimberly-Clark for the Motor Hotel, to the Province of Ontario for their assistance, and the notation that it would be operated by the Thunder Bay District Board of Management as a Home for the Senior Citizens of Thunder Bay District.

Board Member, Mrs. Margaret Sideen, and President of the Thunder Bay Municipal League, unveiled the District plaque which included the names of the Board of Management and the 16 participating municipalities.

A good turn-out of Municipal Representatives, including Mayors, Reeves, Board Chairmen and Councillors, as well as a goodly number of residents from the District contributed substantially to the gala occasion and who enjoyed a wine and cheese party served in the main lounge sponsored by Barnett-McQueen Management Contractors.

Heads of staff from Pinewood Court and Birchwood Terrace enjoyed a most palatable lake trout dinner at which the new Director, Mr. Sohn brought greetings from the Senior Citizens' Bureau and expressed his Departments' desire to be of assistance wherever and whenever possible. Mrs. Dorothy

Plesner expressed her pleasure at being invited to attend the opening and for the opportunity of visiting and meeting the residents of Terrace Bay.

As people began to take leave of each other, it was very evident that Birchwood Terrace official opening had, indeed, been most successful.
