SCHREIBER TOWN TOPICS

Miss Janet Roffey, treasurer of the local association, recently attended a seminar for Ontario Credit Unions held in Guelph University. Schreiber had the smallest membership of any of the Unions represented at the meeting and the others were filled with admiration when Miss Roffey reported the local assets and sound financial condition, and then moved to resounding, laughing applause when she named the ridiculously low delinquent count.

Councillors J.S. Caccamo and R.A. Krause, accompanied by their wives, represented Schreiber, at the party given in Thunder Bay, honouring Lesley Milks, and other members of the Department of Highways, attended by some 400. Mr. Milks, Divisional Engineer, for many years with the Department had been most helpful with advice to Schreiber, his hometown, and judging by the many who came from the district to congratulate him, equally co-operative with other municipalities.
