GATEWAY BUILDERS LIMITED EXPECT TO HAVE THESE HOMES AVAILABLE FOR OCCUPANCY EARLY IN SEPTEMBER.

## McINTYRE II

PRICED AT \$34,044.,  
Down Payment \$4,300.

A favorite with families the McIntyre II plan is unexcelled for overall living convenience. This year, this popular three bedroom home features an attractive L-shaped living and dining room plus a well-planned kitchen and dining area. Of special interest are the U-shaped kitchen cabinets, a real foot-saver for the modern home-maker. The three spacious bedrooms are conveniently located in one wing of the house, easily accessible from the living area. A full brick veneer front adds a final touch of elegance to this distinctive home. 1110 square feet of useable floor space.

Designed to provide your family with a maximum of room, the Laurentian I plan offers 1040 square feet of useable floor space. Included in this distinctive home are a bright, cheerful front kitchen; convenient dining area and spacious, comfortable living room. The three larger-than-average bedrooms meet all the requirements of a growing family. The master bedroom, particularly spacious in design, can easily accommodate all your bedroom furniture. A brick and Redwood siding front highlights the exterior of this handsome Gateway design.
