Homes For the Aged Meeting - cont'd from pg. 1
 appreciated by the residents and staff of the home. Also on the same evening, an exercise bicycle was presented by the President of the Kinette Club of Schreiber, Mrs. Edythe Cosgrove. It will be used by the residents of Birchwood Terrace.

The Board has authorized the rental of two rooms to the Ministry of Health providing suitable arrangements can be made.

The residents of both Pinewood and Birchwood were very busy during senior citizens' week. A wine and cheese party was sponsored at the home on Friday, June 28th where senior citizens from the area were invited to attend. The new mini bus came into plenty of use taking residents to the many different functions. It was noted at the end of the week the residents were quite pleased to rest for a few days.

Barnett-McQueen reported that the auxiliary generator has arrived. This has been holding

up the completion of the project at Birchwood Terrace so the installation should be made at the beginning of July.

Paving and Landscaping is now ready for completion and its hoped that all this will be finished in July.

Three board members and four staff will attend the Homes for the Aged Convention in Toronto on September 22nd to 25th.
