

SCHREIBER RECREATION NEWS

SUMMER '74 MUSIC:

Do you want to learn to make music this summer? Murray Robinson is offering free lessons in guitar, banjo, flute and recorder. There must be old instruments lying around in your home just waiting to be played. Come out and learn to use them.

Murray will start teaching as soon as some of you phone and say you want to learn.

For further information, call the Recreation Office 824-2325.

OPPORTUNITIES FOR YOUTH:

The OFY playground sport programme is running well with more than 60 kids participating in the activities - and more are joining every day. There's still lots of room in the morning session 10:00 - 12:30 so bring your kids.

This week has been filled with Arts and Crafts activities and sports. Some beautiful flowers were made and some new games tried. Soccer seems to be very popular with the boys.

COMMUNITY CANOEING:

Schreiber Recreation canoes are available for rent in the evenings and on weekends when Wilderness Adventure aren't using them. Paulette Perras, a Wilderness Adventure instructor, is in charge of the Community Canoeing programme. We plan to have them available (weather permitting) from 7 - 10 on weeknights, Saturday and Sunday from noon until 9 p.m. On weekdays, it is necessary to phone Paulette 824-2479 before you go out to Whitesand. She decides whether the weather is suitable and she may need a ride out to the beach. Paulette is also willing to teach lessons; just ask her if you want to learn.

This is wonderful canoe country. Take out a canoe and find out about it.

WILDERNESS ADVENTURE:

This programme for boys and girls 10 to 12 is well underway. The first week has been packed with lessons in canoeing, first aid and map and compass. All this is preparation for the expeditions which begin this week.

Thanks to the parents who volunteered to drive the kids from Whitesand to Schreiber. It makes it much easier for us if we don't have to hire a bus for that extra afternoon run.

SWIMMING:

The Swim Staff report that things are going well. All the classes are full and the weather has been fairly co-operative.

Adult swimming is underway as well. We're hoping for a lot of Mark Spitz's in the men's class.

LACROSSE:

The lacrosse clinic will be here all this week. Dick Henderson of the Sports Council is the instructor. Sessions are held in the arena so come and watch.

Schreiber Recreation has all the lacrosse equipment necessary thanks to the office of the Athletic Commissioner. Perhaps lacrosse interest in the community could lead to formation of a league and lacrosse could become a continuing sport for Schreiber and the North Shore.

Lauri Halonen has already given several lessons in lacrosse. If you're interested in learning the game, whatever your age, call the Recreation Office and register.

WHITESAND BEACH SUPERVISION:

The Schreiber Recreation swim instructors have agreed to supervise the beach daily throughout the summer. They'll be wearing red lifeguard shirts and will ask you to give them as much co-operation as possible.

They'll be on the beach Monday to Friday from 11:30 to 4:30; Saturday and Sunday from 1 to 6 p.m.

Please don't bring glass bottles to the beach. Use plastic containers if you can.

ROSSPORT TOWN TOPICS:

Visitors with Mr. and Mrs. Mac Hubelit were Miss Maxine Hubelit and Gilbert Wahl of Wawa, Mr. and Mrs. Luke Rochon of Batchewana, Ont., Mrs. Leona Leisander and daughter Devona of Thunder Bay.

Mr. and Mrs. H. Price of Toronto renewed acquaintances here this week. Mrs. Price was a former teacher here. They were accompanied by Mrs. Edith Herstedt of Dayto Beach, Florida.
