### SUMMER PLAYGROUND '74:

The first week of the Playground program was a very busy and exciting one, with special events for each age group to wind up the week. Wednesday evening, a new approach to the traditional Scavenger Hunt was held. Divided into two teams, with the Playground leaders as the captains, each team covered one side of the town. Scores were close but team number one ended up the first winner.

Thanks to the people in town who contributed the valuable "junk" which we will now use to supplement our craft supplies.

Friday morning, the 5 and 6 yr. old group paid a visit to the fire hall to see the fire

truck. Mr. Stachiw was on hand to explain the equipment to the children. After that, the children and leaders went for a picnic to end the morning. Even overcast skies didn't stop the 7-9 yr. old children from a beach supper at the Kimberly-Clark beach Friday morning. A lot of hot dogs and marshmallows were cooked and eaten, and a very competitive sand castle building contest followed supper. The winners of the Best Sand Castle were Kevin Regis, Karen Seidel and Roger Theriault. Honourable mention to Sheila Houston who did a very good job on her castle.

The second Annual Bowling Tournament for 10-12 yr. olds was held Friday evening. Winners and results of this event will be published next week.

The second week of Playground looks to be shaping up for another exciting one. Special events include: 5 & 6 yr. old - Wild West Day; 7-9 yr. old boys - fishing trip; 7-9 yr. old girls - sleeping party; 10-14 yr. olds - Pre-teen dance.

Further information on these events will be sent home to the parents during the week. It is not too late to come to Playground and there is no registration, so kids, come out and have fun!
