SUMMER PLAYGROUND '74:

The Playground program is now into its third week with more excitement and fun still being planned by the staff for the rest of the summer.

The results of the 10-12 year old bowling tournament are as follows: Team #4 - Liebrock, Janice, capt. - 787 points; Team #3 - Bouchard, Raymond, capt. - 656 points; Team #1, Caron, Billy, Capt. - 607 points; Team #2 Gramatowski, Barbara, capt. - 574 points. High score - Joyce Kurylo - 175 points; Low Score - Rosanne Cvitkovich - 50 points.

Trophies, courtesy of the creative abilities of the Playground Staff and a lot of tinfoil, will be presented to the winners Monday evening.

Last Thursday night, a successful pre-teen dance was held in the public school gym, with Patty Regis winning the record draw and various couples winning prizes in the novelty dances. There was a lot of rocking and rolling done by everyone there but it would appear that Gary Salesse has taken over Ed Gramatowski's position as the dance floor marvel.

Friday morning, the school corridor, converted to a wild west town, set the mood for the 5 and 6 year old's Wild West Day. Dressed in cowboy and Indian costumes and armed with guns, the kids spent a hard day playing games, rustling some of the Lone Ranger's stray cows, riding horseback (the Playground leaders still

walk with a slight stoop) having a few drinks at the Soda Pop Saloon, and ended the morning by singing songs around an "indoor" campfire.

That afternoon, the leaders were off again, this time on a fishing trip with the 7-9 year old boys to the Mouth of the River. The fish must have been watching from just outside a twenty-foot radius because not one of them managed to get caught by the array of hooks and worms cast out at them, although Roger Theriault has a story about a large speckled trout that nibbled his line and got away, and Andre Theriault couldn't make it home until after his hook had been taken out of the back of his sweater.

The 7-9 year old girls had a sleeping party in the gym Friday night. There was a lot of laughing and running around but everyone eventually conked out and went to sleep. The next morning, the girls went for breakfast at the Imperial Restaurant before collecting their gear and heading home.

ART TREK:

Once again this summer we are fortunate in having Art Trek come to the communities of Terrace Bay and Schreiber. It will be in Schreiber August 9th and 10th and in Terrace Bay August 12th and 13th. Watch for further details in next week's Terrace Bay News.
