

MINI QUIZ

on Canada's Great People BY RAY IRELAND

What powerful athlete (a Montreal policeman) made a great name for himself in 1904 when he took on all comers in St. Louis to toss the hammer farther than anyone else in the world, thus becoming the first Canadian to ever win an Olympic gold medal?

your week ahead BY DR. A.W. DAMIS

Forecast Period: July 28 to August 3

- ARIES**
Mar. 21 - Apr. 19
Look forward to no cooperation, no teamwork and, absolutely, no help, this week, sorry to say. Most members of your sign will be on their own. This advice applies to romance, as well.
- TAURUS**
Apr. 20 - May 20
You could, very well, be at odds with your routine associates. It seems as though romantic interests will occupy most of your thoughts and considerations.
- GEMINI**
May 21 - June 20
Delay or postponement of a minor repair required in your immediate environment . . . could parlay into a major financial setback. Don't set aside what you believe is insignificant.
- MOONCHILD**
June 21 - July 22
It's not a good time for engaging in any sort of controversy. Facts and date, at this time, tend to be illusive. You might not express yourself, clearly.
- LEO**
July 23 - Aug. 22
Prepare for a somewhat depressing mood to take over. Most members under your sign will be too concerned about age and past opportunities.
- VIRGO**
Aug. 23 - Sept. 22
A bad influence, in the form of an associate, could lead you into spending—far beyond what your budget permits. Avoid being led by a friend!
- LIBRA**
Sept. 23 - Oct. 22
There's a bit of drama in this week's cosmic cycle. A member of the opposite sex, could indeed, change your entire outlook and life style.
- SCORPIO**
Oct. 23 - Nov. 21
Coming up! One bad case of systemized self deceit! Don't become involved in someone else's problems—in order to avoid taking care of your own.
- SAGITTARIUS**
Nov. 22 - Dec. 21
A disappointment blooms in full glory. Hold on! There's a surprising twist! A minor setback will prove to be a major advantage, in the long run.
- CAPRICORN**
Dec. 22 - Jan. 19
You might find yourself entrapped in a "con" game. Don't shift your attention to the gains made by someone else. Be certain that your own needs are fulfilled.
- AQUARIUS**
Jan. 20 - Feb. 18
Indecisiveness, on the part of someone in authority, might delay this week's plans. Anyway, anticipate a postponement and revamp your schedule.
- PISCES**
Feb. 19 - Mar. 20
This cosmic cycle could be a gossip's paradise. There should be some "hanky panky" going on—eventually, you'll hear about it.
