

White Sand Beach - continued

Special thanks to the Kinsmen for improving the Beach and letting us use it for swimming lessons. Also special thanks to the CPR and Jean Paul Gauthier for providing the Lifeguard chairs which should appear on the Beach this week.

There are a few rules which we ask you to obey while the beach is being supervised.

DO NOT BRING GLASS BOTTLES TO THE BEACH

DO NOT PLAY ON THE BUOY LINE

DO NOT BRING INFLATED FLOATING DEVICES INTO THE BUOYED AREA

ALWAYS SWIM WITH A BUDDY

CHILDREN UNDER FIVE SHOULD BE ACCOMPANIED BY PARENTS IN WATER.

These few rules will make the beach much safer for everyone.

The beach is supervised Mon-Fri. 1-4 p.m. On weekends, the guards are there from 1 until 6 p.m.

WOMEN'S FASTBALL:

This is a club which seems to be going really well. The President is Irene Borutski; Barb McLaughlin is the Secretary and there are about fifty members.

They play on Friday and Sunday evenings at the High School ball diamond. There's lots of excitement at the games. Now that the black flies are disappearing a bit, come out and watch them play a game.

WINTER PROGRAMMES:

Now is the time to get busy organizing programmes for the winter. Is there anything YOU would like to do this winter?

Confederation College is willing to run courses in almost anything under their extension programme. Schreiber Recreation is also willing to try to set up anything you'd like to do.

Call with Recreation Office 824-2325 with any suggestions you may have.

ART TREK:

Painting, Batik, Sculpture, Macrame, Printing, Drawing. All these things are being offered by Art Trek this summer. The programme is for all ages and it is ABSOLUTELY FREE.

The Art Trek van will be in Schreiber August 9 and 10. The programme will be held in the Public School. Plan to attend.

Joint Bank Account

A joint bank account is one in which one person puts the money in and the other takes the money out.

golfers. A noted doctor says that duffers may suffer more than embarrassment when they miss a golf ball and hit the ground. The doctor says that bad golf can result in fractured ribs .....

You have to admit that the World Hockey Association should have a real contender when it meets the best of the Soviets in a show own series in September. The WHA, for one, will be better prepared than Team Canada was, and players like Bobby Hull, Gordie Howe, J.C. Tremblay, Mike Walton, Gerry Cheevers aren't exactly players to scoff at. Word a couple of weeks ago was that Toronto Maple Leafs' Dave Keon would also join the WHA squad. Most of these big names may be up in age and may not have the stamina of the Russians, but they certainly have the experience. Should be interesting!
