A overly successful high school reunion was held in Terrace Bay over the weekend with many former students coming from lengthy distances to attend. We will have a news write-up and who attended in next week's News.

Cross Canada Walker - cont'd from page 6 ...

Ontario is very beautiful. He also says the people are very friendly and have been just fantastic since the start. He says that he is walking just for experience and to see all of Canada because he has never seen most of the East.

Jim sends postcards from every town to Bata, Woodwards, in Victoria and also to his family. He is visiting all towns along the Trans Canada Highway and is taking pictures of most.

When he reaches St. Johns, Bata will fly him back.

While he was in Terrace Bay he was a guest at Mrs. Steffie Dormans. Today he is on his way toward Marathon.
