

**SCHREIBER DETACHMENT OPP PRESS RELEASE**

During the past week at Schreiber Detachment several minor occurrences were investigated by detachment personnel. Of interest was a truck fire that had everyone moving during the early morning and most of the day. On September 4th, 1974, a trailer owned by McKeivitt Trucking, Thunder Bay loaded with creasote treated railroad ties caught fire at Jackfish and was extinguished at approximately 7:30 a.m. The Terrace Bay Fire Department were again summonsed at 7:00 p.m. when the load, now overturned in the ditch, lit up again. At approximately 10:30 p.m. the fire was finally put out for good.

Two minor traffic collisions were also investigated with about \$1500.00 damage to the vehicles involved and no injuries to any of the occupants.

Several motorists were also recipients of tickets for various Highway Traffic Act violations.

Now that the children have been back to school for a week special attention should be paid by motorists especially during the noon recess and at dismissal time. Many things are going through their minds and sometimes very little attention is paid to other traffic using the roadway. Parents are also encouraged to remind children of their duties as pedestrians and also attempt to impress their bicycle rider of the dangers involved when they ride on the wrong side of the road or dart through a stop sign. A class room visit and safety lesson will be presented to each class room shortly by the Community Services Officer and children will be trained in the safe ways of getting things done, however, these programs will not work without the help of the people of the community.

Remember safety is taught by example .

At their meeting held Sunday, September 8th the Schreiber C.W.L. have set the date of November 16th for their bazaar.

The Diocesan Regional Meeting will also be sponsored by this C.W.L. to be held in Schreiber at the Parish Centre on October 2nd.

**STORK CLUB:** Born to Mr. and Mrs. Dave McKay (nee Jeanne McCuaig) a son on September 2nd, 1974 at General Hospital Sioux Lookout. David Dale weighed 6 lbs. 12½ oz. Proud grandparents are Norm and Bea McCuaig and Mr. and Mrs. K.G. McKay, Niagara Falls.

**UNIVERSITY LIAISON PROGRAM**

On September 18th, 1974 between 9:00 - 11:00 an Ontario University Information Program will be held at Schreiber and Terrace Bay Campi of Lake Superior High School. The purpose of the program is to inform senior students of the various careers, programs, and courses available to them through University study.

The Liaison group will meet with the teaching staff on Tuesday evening. The following morning students will have the opportunity to meet with representatives during three 35 minute sessions. Any adults interested in attending the University Liaison Program at either Schreiber or Terrace Bay are asked to contact the high school guidance staff prior to 4 p.m. Monday, September 16th, 1974.
