Stork Club News - Born to Mr. and Mrs. H. Hermes, a

your week ahead BY DR. A.W. DAMIS

Forecast Period: September 29 to October 5

- ARIES**
Mar. 21 - Apr. 19
Many Ariens will be tempted to "buy" their way into romance. So, you might undergo a period of "all's fair in..." you know the rest!
- TAURUS**
Apr. 20 - May 20
Although your environment and circumstances might indicate otherwise; financially, things, for you, should be on the upswing. Actually, a minor setback will parlay into a major gain.
- GEMINI**
May 21 - June 20
This particular week, the one thing you need least; outside "good" advice, is coming your way in bunches, big bunches! The person who can solve your problems? Yourself!
- MOONCHILD**
June 21 - July 22
Sorry! A project that you believe is going to snowball into big things... might prove to be unproductive. Stick to proven methods, this week.
- LEO**
July 23 - Aug. 22
You'll be in the mood to overpower your associates. Frankly, you'll be pushy enough to elbow your way into someone else's job, task or project.
- VIRGO**
Aug. 23 - Sept. 22
It seems as though many members of your sign will try to put a member of the opposite sex to ... the acid test. Advice? Let well enough, alone.
- LIBRA**
Sept. 23 - Oct. 22
Play it cool! Take second best, and wait out your chance. Bluntly, it's not showdown time; you're not prepared to compete.
- SCORPIO**
Oct. 23 - Nov. 21
Don't take "throwoffs." You are entering a phase when you must know, exactly, how you stand. Incidentally, this advice applies to your relationship with the opposite sex.
- SAGITTARIUS**
Nov. 22 - Dec. 21
Try to look beyond an associate's "outward" personality. Apparently, you'll be trafficking with a devious person. Don't air your personal problems.
- CAPRICORN**
Dec. 22 - Jan. 19
You're prone to becoming a tyrant, during this cosmic cycle. Actually, you are building an empire of worthless things. Relinquish what you believe to be... additional responsibilities.
- AQUARIUS**
Jan. 20 - Feb. 18
Many under your sign will widen their circle of friends. So, it's very likely that you will meet new acquaintances. Oh, yes! An admirer will toss an overture your way.
- PISCES**
Feb. 19 - Mar. 20
Don't spoil a member of the opposite sex by going overboard with too much kindness. You might go more than half way, in affairs of the heart.
