## "HOCKEY" HOUSE LEAGUE

An attempt is being made to form a Terrace Bay-Schreiber hockey house league, and although the turnout at the two meetings has not been overwhelming we feel it is safe to say there will in fact be a league.

A rough estimate of the number of available players has been set at between 50-60 with the possibility of a few more players who are not aware of the formation of any such league. These players including unattached Junior age players are asked to get in touch with Ken Ross or Norman Boon in Schreiber, or Marvin Osmar, Bob Cressman, or Ron Lang in Terrace Bay.

It should be noted at this time that eligible juniors under 18 years of age will need their parents or guardians consent in writing. Forms will be available from the executive.

With 50-60 players, teams will be selected by a grading process which we hope will keep the teams on an equal basis. With this type of formation there will be players residing in Terrace Bay playing for the Schreiber team and vice versa, in this way we hope to avoid the possibility of one team becoming a powerhouse and running away with the league.

Also the rules as set forth will be strictly adhered too, especially the fighting rule which will be an automatic game misconduct with an additional game suspension, plus further action if deemed by the executive.

This league as a whole is being formed to provide recreational hockey and is not we hope going to turn into a "blood" or "head hunting" type of play as seen in some other house leagues.

The Terrace Bay Raiders Intermediate Club last year won the Nor-West League, and provided some fine entertainment for the fans, and we appreciated your support. With this new league we are attempting to give you the same

if not better this season and are looking forward to the support from both communities. If anyone is interested in playing or assisting in any way please contact any of the players, or the names mentioned.

## REPRESENTATIVES ATTEND 50TH CONVENTION

The 50th anniversary year of the Ontario Hospital Association will be climaxed by the convention to be held October 28, 29 and 30th at the Four Seasons Hotel in Toronto.

The theme of this year's convention, which will feature addresses by the Minister of National Health and Welfare, the Hon. Marc Lalonde and Ontario Minister of Health, the Hon. Frank Miller, will be "Educating for Health: Your Hospital's Role."

More than 9,000 delegates from 250 Ontario hospitals, as well as representatives from hospitals and health care associations in other parts of Canada and the United States, will attend the three-day convention which will include lectures, panel discussions, group meetings and an exhibition of modern hospital equipment.

The McCausland Hospital will be represented at the convention by Vic Mazzone, Administrator and Mae MacLeod, Director of Nursing.
