## TERRACE BAY LADIES CURLING CLUB

The semi-annual meeting of the Ladies Curling Club was held in the curling lounge October 22nd with approximately 35 ladies present.

Various reports were read. The Ontario Winter Games are to be held in Thunder Bay and they have invited junior curlers under 19 to take part. With the District Playdowns being held in Red Rock this year it is hoped we can interest some young curlers to participate.

This year Terrace Bay is hosting the Senior Ladies Zone playdowns.

The president introduced the various committee chairmans and encouraged the ladies to give any suggestions or help.

Barb Hopper then presented the club championship pins to Mary Hales Rink of Rhea Beau-lieu, Barb Wise and Joyce Mercier.

Some important dates to mark on your calendar are: Christmas Party - December 14th. New Years Party - December 31st.; Sweetheart Bonspiel - February 15th, 1975; St. Patrick's Party - March 15th, 1975; Ladies Bonspiel - March 21st, 22nd and 23rd, 1975; Curling Wind-up, April 26th, 1975.

Discussion took place on choosing of rinks and after a secret ballot vote it was decided to choose your own rink. The type of play will depend on how many rinks there are.

The dues will remain at \$20.00 unless the men request an increase.

Everyone was in favour of the buzzer ringing at five to seven with everyone on the ice ready to curl.

Curling will be played by the point system - - one point per end scored; no points for blank ends; two points for a win; five points to a team who has a game defaulted to them.

The championship games in playoff situations will not count points just straight win or loss

The meeting adjourned with a lunch served. It looks like a good year for curling ladies so get your names in to the draw committee.
