

Women's Institute - continued from page 16 ...

A letter will be sent to the Canadian Legion with the suggestion that printed sheets with hymns or songs to be sung on November 11 be distributed to the public in attendance.

Mrs. W. Campbell and Mrs. E. Bolan agreed to attend the annual district rally in Thunder Bay on October 17th.

Mrs. E. Bolan gave an excellent review of the Institute activities in her paper on Cultural Relations. Since nutrition is the 1974-75 main project of Women's Institutes, Mrs. Todesco spoke of its problems and read an interesting article on types and uses of cooked and raw fish. She also suggested each member bring a typical dinner menu to the next meeting.

An invitation along with a program book will be sent to the Nipigon Branch. Mrs. R. Winters invited all members to attend her diamond wedding anniversary on October 26th.

Rental fees were set for contents in the kitchen cupboards and tickets for the money draw in December were distributed.

Mrs. Winters won the apron draw prize. Lunch was served by Mrs. Clemens, Mrs. O'Connor and Mrs. Todesco.
