## BUILDING FUND RECEIVES DONATIONS

The recent announcement of a new hospital has already caused financial assistance locally.

Vic Mazzone, Hospital Administrator said Friday, Mr. and Mrs. Bryson of Schreiber were the first to make a donation to the building fund.

A most appreciative donation was made by the Terrace Bay Youth Club in the sum of \$250.00 raised from dances.

It's nice to see the youth of today taking such a keen interest in the plans for the future.

Considerable time was taken by M. Vibert to explain to the hospital people that from the experience gained at Birchwood the home would remain a residential care home and that at present the board had no intention of admitting extended care residents.

It was also an opinion expressed by Mr. Vibert that there would be a need for a
