Mrs. Shirley Brown who is leaving Schreiber for a new home in London was given a farewell party in the town hall on October 28th, attended by both Schreiber and Terrace Bay friends.

Shirley, although she in no way resembled the Good Samaritan with flowing beard and long loose garments, filled that role during the five years she spent here, with her husband, D.H. Brown, Civil Eng. for C.P. Rail, finding the time, either brief or long, always available to do a kindness.

She was assisted in welcoming the many friends who came, by Mrs. Karl Kacmierczak and her daughters, Moira and Heather. Mrs. D.Q. Hamilton was the table hostess.

The tea was poured by Mrs. Ethel Smitheman and Mrs. Jack Stokes, Mrs. Cyril Sparkes and Mrs. Rex Dye. Servitors were Mesdames Don Beno, Bill Collinson, Gary Lapworth, Wayne Stewart, George Lengyel, Bill Tripp, Alex Krystia, and E. Bourgeois, with Ann Stokes attending the guest book.

Replenishing were Mesdames Russell Macadam, Frank McKenna, Gordon Lake and Steve Maronese. The gifts she received were indicative of her wide interests in community affairs.

Mrs. Bill Furlonger has returned home after visiting her son Laurie Furlonger and his family in Ottawa.

Mrs. Simonne Webb is in the General Hospital, and Mrs. Louella McColeman in St. Joseph's Hospital, both in Thunder Bay.
