

SUCCESSFUL COACHING CLINIC

Approximately 60 Minor Hockey coaches and players attended the Level II Clinic held Saturday at the Recreation Centre. Sponsored by the O.H.A. and the Terrace Bay Minor Hockey Association, the Clinic featured such well-known lecturer-instructors as Henry Ackervill of Lakehead University, Dave Siciliano of the Thunder Bay Twins, and Murray Child of the O.H.A. Technical Directors Office.

The day was spent with the coaches and players divided between classrooms in the Public School and the Arena. Lectures were conducted on such topics as game strategy, sports injuries, equipment, conditioning, and teaching and practice methods. Ice sessions involved instruction in skating, shooting, checking, and puck control. Assisting with the ice demonstrations were members of the Terrace Bay Bantams. In addition, each coach received a package of instructional materials and, at the end of the day, a certificate of achievement.

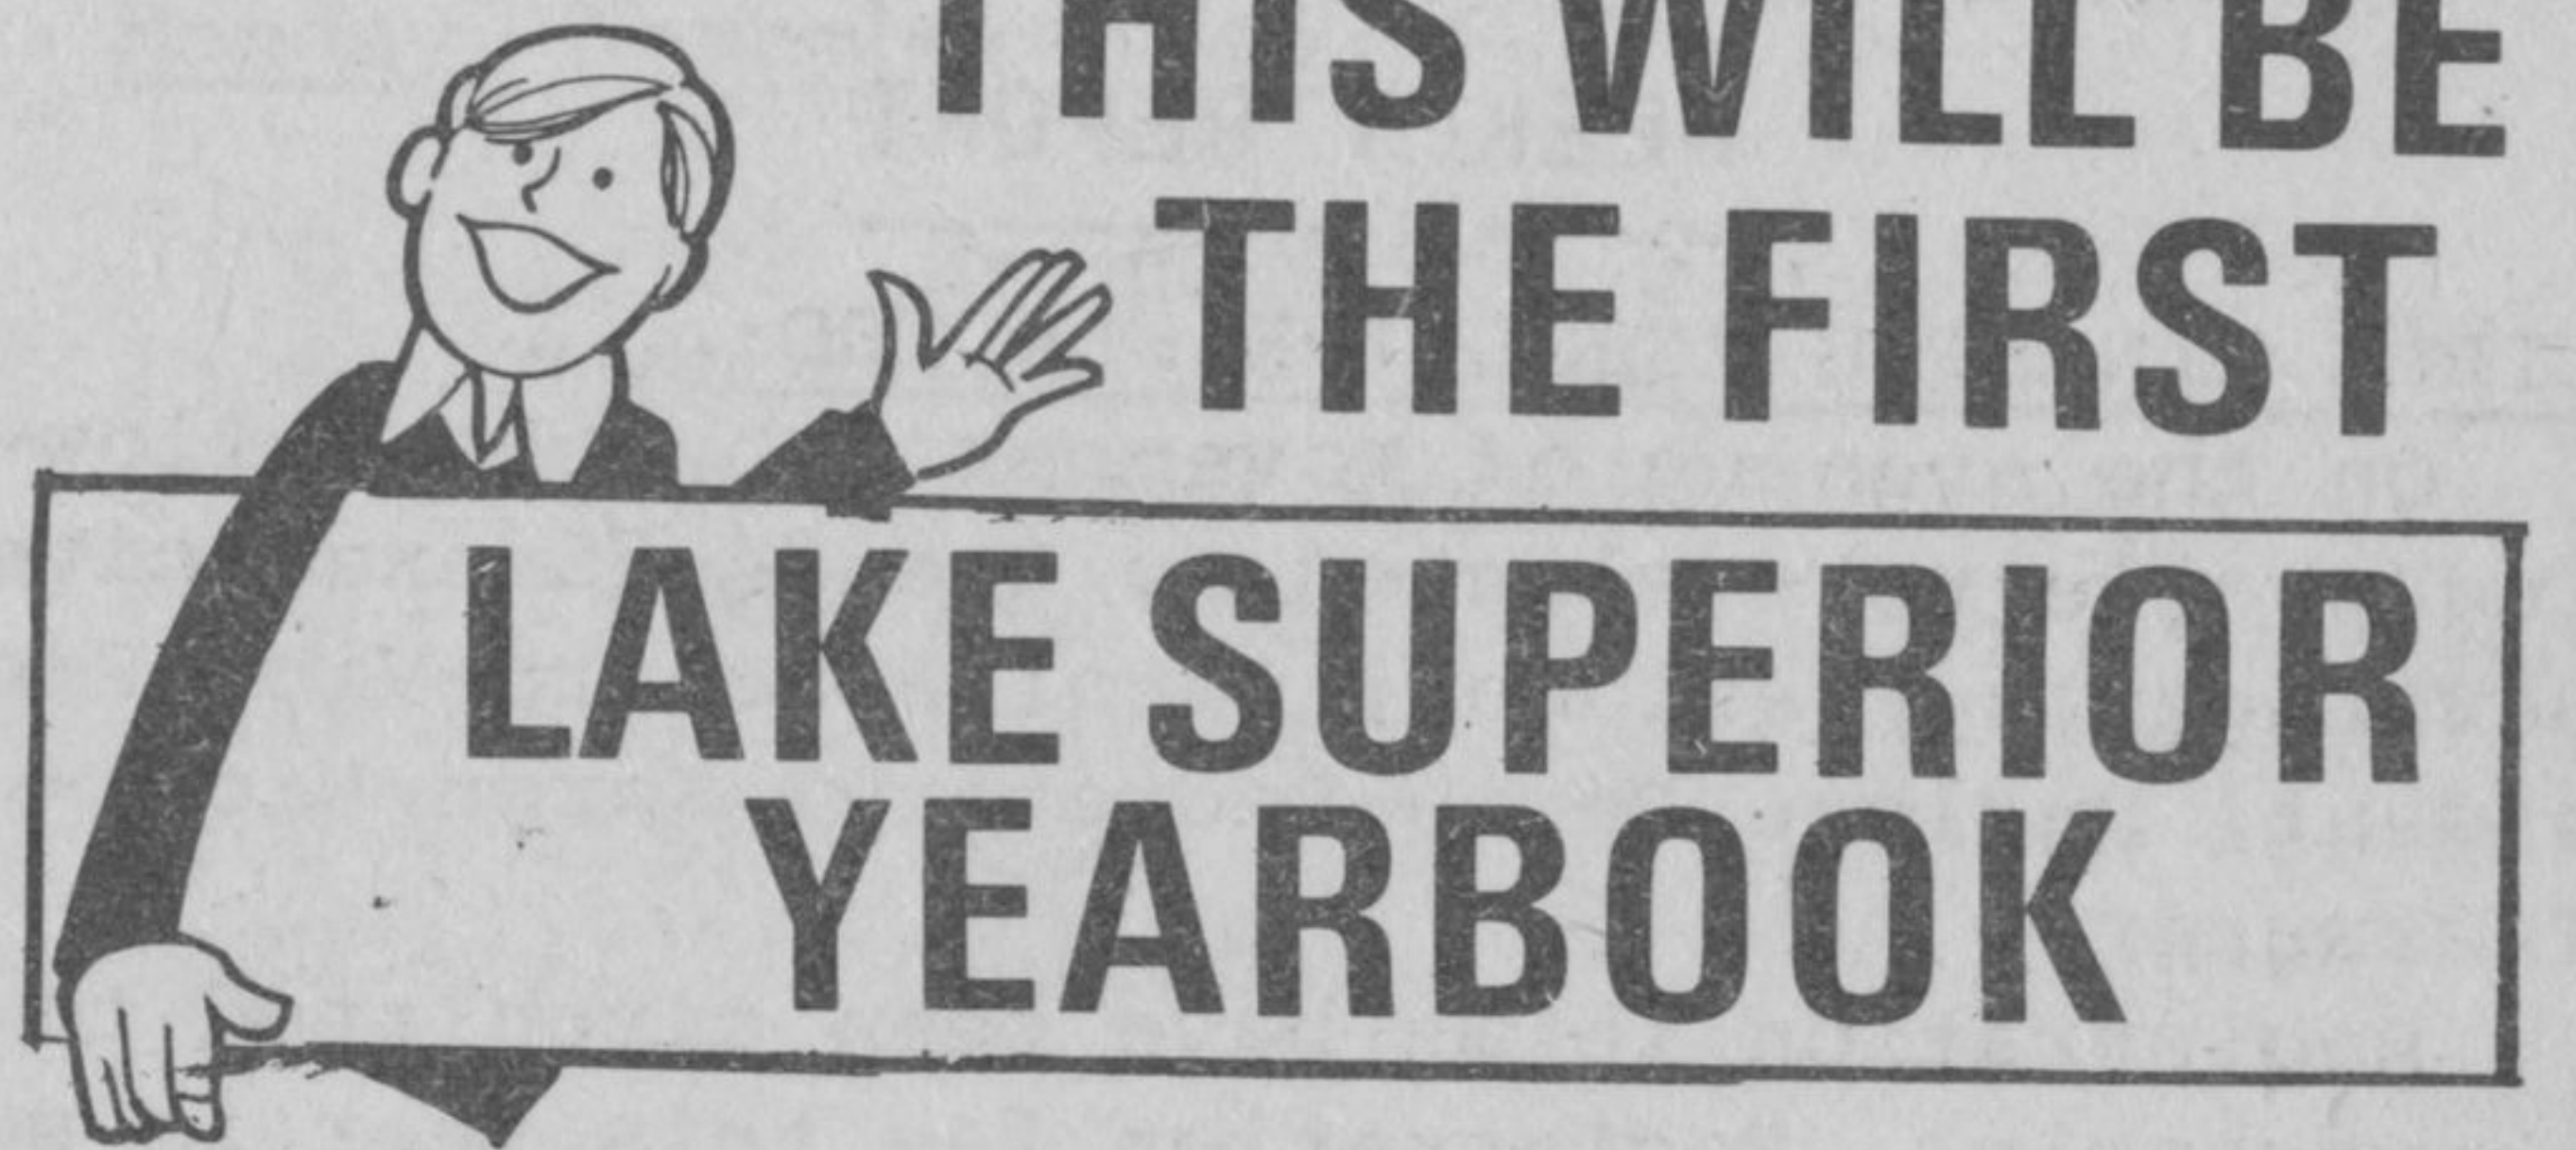

In making the day a success, special thanks is extended to Mrs. Doreen Kurylo for a most delicious lunch and to Jerry Dupas, Willard Robitaille, Len Pope and Bruce Scott for organizing the Clinic. Thanks also to the Lake Superior Board of Education for the use of the Public School classrooms and audio-visual equipment.

IN MEMORIAM MARQUIS

In loving memory of a dear husband, father and grandfather, Alex Marquis who passed away November 18, 1973

He didn't have time to say farewell;
Nor us to say goodbye,
He was gone before we knew
And only God knows why.
Please God, forgive a silent tear,
And our secret wishes that he were here.

Always remembered by wife Nancy, daughter Sharon, and sons Barrie and Ronnie and Families.
